

A curved film strip background with various film-related icons and colors. The film strip is black with white sprocket holes. The background is divided into several sections with different colors and icons: a blue section with a film reel and the word 'film', a yellow section with a film reel, a green section with a film reel, and a grey section with a film reel.

Grabación de la pantalla mediante el OBS y subida de video a YouTube.

Héctor A. Guerrero Mtz.

Final Results
Testing complete

The program has determined that these estimated settings are the most ideal for you:

Recording Encoder	Software (x264)
Recording Quality	High Quality, Medium File Size
Base (Canvas) Resolution	1284x724
Output (Scaled) Resolution	856x482
FPS	30

To use these settings, click Apply Settings. To reconfigure the wizard and try again, click Back. To manually configure settings yourself, click Cancel and open Settings.

LIVE: 00:00:00 REC: 00:00:00

A dark blue, irregular ink splatter shape is centered on a white background. The splatter has a textured, watercolor-like appearance with some lighter blue and white areas around the edges. The text "Crear un canal en YouTube" is written in white, sans-serif font across the center of the dark blue area.
